

# Major Companies of Latin America and the Caribbean

Now online on *Gale Directory Library*

Published by Graham & Whiteside Ltd., the *Major Companies* directories provide detailed information on the leading businesses worldwide. *Major Companies of Latin America and the Caribbean* covers thousands of companies active throughout 47 countries, including Brazil, Cuba, Dominican Republic, Guatemala, Mexico, Puerto Rico and many others.

Each annual edition of *Major Companies of Latin America and the Caribbean* profiles more than 8,650 Latin American and 1,100 Caribbean businesses. Multiple editions are available

by standing order, ensuring access to the most up-to-date information as well as historical data. Entries typically include: full company name; address, phone and fax numbers; e-mail and Web addresses (when available); names of management and board members; description of the company's activities; parents, subsidiaries and agents; brands and trademarks; number of employees; financial information for the previous two years; principal shareholders; and more. Also included are the contact names of more than 46,750 senior executives.

## Real-world users might include:

- Business analysts can quickly locate detailed information on companies working in particular fields, focused on specific geographic locations within Latin America and the Caribbean
- Job seekers can cross-search with other *Major Companies* directories to easily create contact and mailing lists to explore international opportunities
- Business professionals can quickly access up-to-date data for competing or complementary companies, including financial information and industry activity
- And many others

## ABOUT GALE DIRECTORY LIBRARY

With *Gale Directory Library*, researchers can use state-of-the-art functionality to perform a range of data sorting, filtering and exporting. These innovative features, unlike anything seen previously from our directories, make *Gale Directory Library* the essential tool for research.

- Find contacts — Finding a company, person, publication (or other kind of entity) is easy. Basic search lets users quickly look up names, search by keyword, and browse the full text of your directory holdings.
- Generate lists, analyze trends — Export search results and use them in programs like Excel or Word, making the creation of mailing lists a snap.
- Cross-searchable — Search across our growing number of directory titles. Each directory can be searched individually by its own unique data fields, or search the entire directory collection.

## Additional benefits of *Gale Directory Library*:

- Use it like a database; buy and own it like a book collection
- State-of-the-art search, sort and export features
- Available 24/7 from any Internet-connected computer
- Choose the directory titles you want, and own the data
- Print, e-mail or download individual entries
- Entries include hot-linked Web sites and e-mail addresses (when available)
- Export results to analyze data or generate mailing lists
- Includes more data than print version, when appropriate
- Marked items lists let you select entries to generate custom results
- Available backfiles provide historical data
- Growing list of available directories
